NOBODY CAN TELL IF YOU DARKEN
GRAY, FADED HAIR WITH SAGE TEA

DRUGGIST SAYS WHEN MIXED
WITH SULPHUR PREVENTS
DANDRUFF AND FALLING
HAIR

Common garden sage brewed into
a heavy tea with sulphur and alco-
hol added, then left to age and
carefully filtered will turn gray,
streaked and faded hair beautifully
dark and luxuriant; remove every
bit of dandruff, stop scalp itching,
and falling hair.

Just a few applications will prove
a revelation if your hair is fading,
gray or dry, scraggly and thin. Mix-
ing the Sage Tea and Sulphur recipe
at home, though, is troublesome. An
easier way is to get the ready-to-
use tonic, costing about 50 cents a
large bottle at drug stores known as
"Wyeth's Sage and Sulphur Hair
Remedy," thus avoiding a lot of

muss. Some druggists make their
own, but it isn't nearly so nice as
"Wyeth's."

While wispy, gray, faded hair is
not painful, we all desire to retain
our youthful appearance and attrac-
tiveness. By darkening your hair with
Wyeth's Sage and Sulphur no one
can tell, because it does it so natu-
rally, so evenly. You just dampen
a sponge or soft brush and draw it
through your hair, taking one small
strand at a time. Do this tonight
and by morning all gray hairs have
disappeared. After another applica-
tion or two it will be restored to
its natural color and be even more
glossy, soft and luxuriant than ever.

Local druggists say they are sell-
ing lots of "Wyeth's Sage and Sul-
phur;" it surely helps folks appear
years younger. Dad.

Comforting Words

MANY A TONOPAH HOUSEHOLD
WILL FIND THEM SO

To have the pains and aches of a
bad back removed—to be entirely
free from annoying, dangerous uri-
nary disorders, is enough to make
any kidney sufferer grateful. The
following advice of one who has suf-
fered will prove comforting words
to hundreds of Tonopah readers.

J. D. Shaw, 119 Ryland st., Reno,
Nev., says: "I am just as willing to
recommend Doan's Kidney Pills to-
day as I was in 1907, when I pub-
licly told of my experience with
them. A severe accident was the
cause of my kidney trouble. I had
intense pains through my back and
hips and if I attempted to stoop or
lift, the trouble became worse. My
kidneys were out of order and the
kidney secretions passed so fre-
quently as to cause me much an-
noyance. I tried most every reme-
dy that came to my attention in an
effort to get relief, but I steadily
grew worse until I commenced tak-
ing Doan's Kidney Pills. The con-
tents of three boxes restored me to
better health than I had known for
years and I am now practically free
from kidney trouble."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.

Remember the name—Doan's—and
take no other. 11-adv.

AMUSEMENTS

BUTLER THEATER.

The program at the Butler tonight
will consist of four reels of interest-
ing pictures as follows: "Lady Peg-
gy's Escape," a story of Ireland;
"Bill's Birthday Present," a Selig
drama; "Broncho Billy's Ward," an
Esanay western comedy; "Suspici-
ous Henry," a Vitagraph comedy.
With his head filled with stories of
boy detectives, Henry tries to imi-
tate them. He finds a drunken man
in a stupor. Then he discovers red
drops of paint, which he decides are
blood. The paint was spilled by a
man on his way home carrying paint
in a pail. Henry traces the paint to
the man's house, notifies the police
and has him arrested as a murderer.
While Henry is busy scenting "the
murderer," the drunken man is taken
to the station house, but Henry finds
his coat, takes it to the police and

Socialist Lecture.

As a second number of the Social-
ist Lyceum course under the man-
agement of the local organization of
this city, Mr. Frank Bohn will lec-

FRANK BOHN

ture next Sunday night at the Ne-
vada theater.

Mr. Bohn is said to be a lecturer
of more than usual attainments, hav-
ing been at one time a lecturer in
Columbia university, New York, and
having had wide experience in the

WAR IN MEXICO

May hold your attention for a moment, but shouldn't take your
mind from the fact that your house needs repainting and papering
in the spring, and if want paper and paint that will stay, it
will be well for you to give the contract to

Schlitz Brown Bottle
Scientists Praise It

WAHL-HENIUS INSTITUTE
FERMENTOLOGY
1100-1101 FULLERTON AVENUE
CHICAGO

April 1, 1911.
Mr. Alfred Uihlein
Schlitz Brewing Co.
Milwaukee, Wis.

Dear Sir:

Answering your favor
of recent date in regard
to the influence of
light on the quality of
beer, will say that our
observations, extending
over the last twenty-
five years, have con-
vinced us beyond a
doubt that exposure of
beer to light has a very
detrimental influence on
its quality generally,
but especially upon the
flavor of the beer.

We have tested beers
repeatedly in this di-
rection placing the bot-
tles into direct sun-
light, and testing the
same after one, two,
three and five minutes
exposure, found that the
beer with three and five
minutes exposure became
undrinkable on account
of the peculiar odor de-
veloped.

The detrimental effect
of light upon beer can
be successfully counter-
acted by the employment
of brown or dark colored
glass bottles, and such
bottles are therefore
recommending.

Yours very truly,

RW/B
Wahl-Henius Institute

Extract from letter to Mr. Alfred Uihlein, written by
Robert Wahl, President of the Wahl-Henius Institute
of Fermentology, Inc., Chicago.

"Beer bottles should be manu-
factured from reddish-brown glass,
inasmuch as same will to a much
higher degree than any other kind
of glass, minimize the influence of
the rays of light on the quality of
beer, and will protect the latter
against acquiring the disagreeable
taste (Sonnengeschmack) due to the
chemical action of the light. **

"In white and green glass bottles
the beer is most affected by the
action of the light. Such bottles
are, therefore, absolutely inappro-
priate and should never be em-
ployed by brewers." (Signed) Prof.
Dr. F. Schonfeld.

From the *Illustrated Brewery Encyclopedia*, p. 99 (Illus-
trations: Brauerei Lexikon). Published by Dr. Max
Delbruck, Priory Councilor, Professor at the Royal
Agricultural College and Director of the Institute for
Fermentology at Berlin, Germany, 1910.

"Bottles of strong glass should
be selected. They should never
be of colorless glass, inasmuch as
through the influence of light the
beer will not only take on a dis-
agreeable odor and taste, but will
also become turbid." (Lintner.)
Extract from *Die Malz und Bierbereitung*, Published by
E. Leypert, Director of the Brewing Academy in Aug-
sburg, Teich Edition, Stuttgart, 1906, page 286.

"The beer in the white glass
bottle had taken on disagreeable
odor and taste and was absolutely
undrinkable. The beer in the dark
bottles did not show this peculiar
odor and taste." (G. Beck.)

Translation of Extract from *Zeitschrift für das gesamte
Brauereiwesen*, 1892—page 370.

"It is interesting to note the
observation that beer in colorless
bottles exposed to diffused light will
undergo a change, precipitating a
heavy sediment and taking on a
disagreeable odor and taste."

Extract from *Die Theorie und Praxis der Malz- und
Bierbereitung*, Published by Director Julius E. Thau-
ling, Leipzig, 1891, Fourth Edition, page 926.

"It is a known fact that sunlight
and daylight influence unfavorably
the taste and flavor of the beer and
care must be exercised in the
selection of the bottles."
